

Tutoring Center

The Department of Computer Science offers **free tutoring** for the following core 1000-, 2000-, and 3000-level courses:

CSC 1301 (Principles of Computer Science I)
CSC 1302 (Principles of Computer Science II)
CSC 2510 (Theoretical Foundations of Computer Science)
CSC 2720 (Data Structures)
CSC 3210 (Computer Organization and Programming)
CSC 3320 (System-Level Programming)

Tutoring is free and available to all students enrolled in these courses.

Where: CS Tutoring Center (Sports Arena, Rooms 113, 114, and 116)

When: Monday–Friday 10 am–5 pm

The center will be open throughout the semester except for university holidays.

Online Tutoring

The Department also offers **free online tutoring** during the following hours:

Monday–Friday 7:30 pm–9:30 pm

Saturday–Sunday 2 pm–5 pm

During these hours, students can login at cstutoring.cs.gsu.edu to speak with an online tutor.
